1. View emails received that have been delivered to your Spam folder.
2. If an email is present from Listingbook Messenger then select the box in front of the message.
3. After selecting the email message, click on the Not Spam option located on the Yahoo Mail tool bar.

Procedure for Yahoo users to reset email messages marked as Spam.

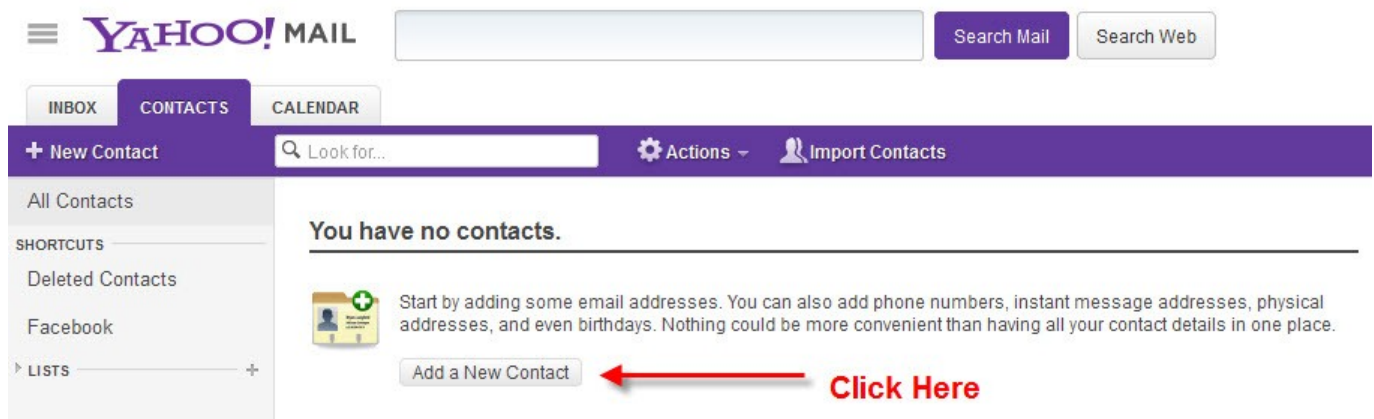

Confirm the email that was marked Spam is now located in the Inbox.

7. Procedure 1 complete!

Procedure 2:

1. Click on the contact tab under the Yahoo Mail logo.
2. Click on add contact

3. Add Triadlistingbook to your Contacts
 - a. Type Triadlistingbook in Nickname
 - b. Type mailservice@triadlistingbook.com in email space and save.

Procedure for Yahoo users to reset email messages marked as Spam.

The screenshot shows the 'New Contact' form in Yahoo! Mail. The contact name is 'Triadlistingbook' with 'Middle' and 'Last' fields. The 'Basics' section includes fields for Nickname (Triadlistingbook), Email (mailservice@triadlistingbook.com), Yahoo! Messenger, and Phone. There is a checkbox for 'Don't add to Yahoo! Messenger List'. The 'Addresses' section is partially visible at the bottom.

4. This step assures Yahoo that you do want to receive emails from Triadlisingbook.com.

We want to assure you that we are committed to getting your emails and Morning Reports to you consistently and on time. If for any reason you do not get your email delivered tomorrow, please feel free to call our help line 336-389-3231 and we will personally help you.
